

Pride in Making,
Joy of Wearing

MANUKABIR
ENTERPRISES PVT. LTD.

About Us

Guided by the vision of Shri Manoj Gaur Ji, and founded in the year 2024, **MANUKABIR ENTERPRISES PRIVATE LIMITED** is setting new benchmarks in the apparel industry. Our upcoming state-of-the-art manufacturing unit in Chitta, District Bulandshahr is just 80 km away from Noida, and is designed with an installed capacity of 2.4 million garments annually.

Aspiring to be more than a manufacturing name; we aim to become a proudly Indian brand with a global footprint, one that blends style with sustainability and delivers true value for money to customers worldwide.

We have established a world-class Design Studio that crafts apparel for all genders, seamlessly marrying modern design sensibilities with India's rich ethnic diversity. Our creations will be tailored to suit different climates, cultures, and occasions, ensuring relevance and appeal across seasons and geographies.

Our diversified business encompasses manufacturing, importing, exporting, buying, selling, and dealing in a wide range of fashion and lifestyle products. Our network includes agents, sub-agents, stockists, distributors, wholesalers, retailers, representatives, and commission agents, enabling us to serve clients efficiently across India and abroad.

Specializing in the production and supply of all kinds of readymade garments, coverings, and textiles, catering to men, women, and children. Our offerings include woven and knitted apparel, uniforms, hosiery, footwear, fashion accessories, and furnishing fabrics, as well as finished products such as jute goods, linens items, and cosmetics. Whether for domestic markets or international exports, we are committed to delivering high-quality, stylish, and value-driven products that meet the diverse needs of our clients.

Our Footprint

Our company maintains a strong organizational presence supported by modern infrastructure, technology-enabled processes, and a skilled workforce. Its diverse product and service portfolio caters to varied customer segments, backed by a robust operational ecosystem that includes sourcing, production, quality control, and distribution. With standardized procedures, ethical practices, and a commitment to sustainability, the company ensures consistent quality and responsible operations. A growing market reach across domestic and international segments is supported by dependable logistics and long-standing partnerships. Continuous investment in innovation, process optimization, and capability expansion positions the company for agile, scalable, and future-ready growth.

Our Mission

At **MANUKABIR**, we are committed to creating the highest quality, sustainable apparel that moves in harmony with global fashion trends. We prioritise quality over quantity, combining cost-effective manufacturing with uncompromising craftsmanship to deliver exceptional products within optimal timelines. Guided by transparency and integrity, we foster long-term partnerships built on trust, reliability, and shared success.

Our Vision

To be recognised as a leading global force in apparel manufacturing and trade – admired for our innovation, sustainability, and ethical craftsmanship, while setting new benchmarks for quality and style worldwide.

Material Sourcing

The raw materials (Fabric and trims) are procured from reputed Indian mills like Arvind, Pangea, Vardhman, Nahar JCT and from leading mills in Mainland China & Hong Kong.

We ensure that we only accept the material from Suppliers which are 100% correct after thorough checking according to our customer quality specification. We have a dedicated testing lab and checking facility at our Noida facility for this purpose.

Excellence in Every Step

At **MANUKABIR**, quality is built into every stage of production. We follow a clear and complete process that ensures consistency, precision, and reliability:

Fabric Sourcing – Procuring high-quality, sustainable fabrics from trusted suppliers

Fabric Inspection & Testing – Ensuring durability, colour fastness, and compliance with standards

Fabric Relaxing & Spreading – Preparing material to avoid shrinkage and distortion

Cutting – Accurate cutting with advanced machinery for consistency

Marking & Numbering – Proper tagging for easy assembly

Stitching / Sewing – Skilled craftsmanship combined with modern machines

In-line Quality Checks – Monitoring accuracy during production

Washing / Dyeing (if required) – For finish, softness, or specific fabric treatment

Finishing – Trimming, ironing, pressing, and detailing for a polished look

Final Quality Checking – Following AQL/ international standards for assurance

Labelling & Tagging – Adding brand identity and compliance information

Packing – Secure, eco-friendly packaging for safe transport

Warehousing & Dispatch – Organized storage and efficient logistics

Shipping – On-time delivery to domestic and international clients

Global Reach & Capabilities

We take pride in combining large scale, expertise, and innovation to meet diverse client needs in India and across the globe.

Our Clients: Jaypee Schools; Jaypee Universities; Jaypee Hotels; Vortex – Gaming Sanctuary; Olympus Soul Wellness Springboard.

Export Horizons: Currently, we are preparing to expand into the USA, Russia, European countries and Africa.

Infrastructure & Production

Our state-of-the-art facility is spread across a proposed area of 53,410 sq. ft. within a total plot size of 129,920 sq. ft., giving us the scale to deliver consistently and efficiently. Equipped with 5 advanced production lines and 150+ modern machines including sewing, overlock, flatlock, and other specialized units, we are fully prepared to meet diverse client demands with speed and precision.

Why Partner with Us

At **MANUKABIR ENTERPRISES PRIVATE LIMITED**, we bring together scale, versatility, and excellence to deliver apparel solutions that meet diverse global needs.

Large-Scale Production Capacity – With an installed capacity of 2.4 million garments annually (5 Lines), we ensure consistency, efficiency, and timely delivery without compromising quality.

Versatility in Apparel – From men's, women's, and children's wear to uniforms, hosiery, footwear, fashion accessories, and furnishing fabrics, our goal is simple: to be your one-stop destination for diverse apparel needs. You Name It, We Make It.

Diverse Product Range – Our portfolio goes beyond apparel to include woven and knitted garments, jute goods, linen products, and cosmetics, making us your complete solution partner for fashion and lifestyle needs.

All Fabrics, All Possibilities – We work with every type of fabric – cotton, synthetics, blends, bamboo, recycled polyester, and more, offering flexibility, innovation, and sustainable alternatives to meet evolving client needs.

Every step of production reflects our commitment to eco-conscious methods, precise craftsmanship, and lasting partnerships that put clients first.

- End-to-end production under one roof
- Sustainable and environment-friendly manufacturing practices
- Global-quality standards with Indian craftsmanship
- Flexible design & sampling capabilities
- Reliable delivery with long-term client trust

Specialized Units

Our versatility is powered by dedicated units for Product Sampling, R&D, Printing & Embroidery, Quality Check & Finishing, and Designing supported by in-house CAD Design & Automation team, embedding innovation and precision into every step of production.

Commitment to Quality

Quality is the cornerstone of every garment we produce. Every order is executed with precision through a meticulous step-by-step process — from sourcing and stitching to finishing and shipping. With AQL standards at the core and third-party testing (where required), we ensure international benchmarks are consistently met. A return and rework policy further reflects our accountability, building long-term trust with our clients.
